**REDUCE
REUSE
RECYCLE**

Building Community in Foxridge for a Greener Tomorrow

Foxridge is becoming greener each year and the FIA works to find and promote environmentally friendly practices.

Here are some examples:

- Recycle/reuse the plastic easter eggs used during the Easter Egg Hunt
- Shred-It Event on April 29 (thank you to our sponsors Julie Holt, Keith Zaring, Travis Henderson!)
- Two Goodwill trucks and six dumpsters at Dumpster Day #1 on June 10th (must be FIA member)
- A shredder or e-recycling truck at Dumpster Day #2 (if funds allow the event and must be member)
- Yard waste composting event in November (date TBD) (must be FIA member)
- City of Centennial chipping and mulch event on Sat, May 6th
- NextDoor, Facebook Marketplace, Craig's List, FreeCycle and others offer ways to sell or give away usable items

Recycling, giving away or selling reusable items not only keeps our dumpsters from filling up too quickly (we will only have 6 in June), it keeps items out of the landfill. We're very excited to offer two Goodwill trucks on June 6, one for furniture and fragile items and one for rugs, etc. You can find a list of acceptable/prohibited items in this issue of *Foxtales* on **page 10**. The Foxridge Community Garden continues to use sustainable and organic practices. Lastly, the Girl Scouts in the neighborhood worked very hard to educate residents about yard waste's negative impacts on the environment and how to turn it into usable compost via Lone Tree Composting. As a result, some of our Foxridge residents now use Lone Tree Composting on a regular basis. Through Foxridge's community efforts we can continue to find sustainable solutions together for a greener future. If you have any additional ideas, please feel free to email the FIA board at foxridge.board@gmail.com

For more info about the chipping and mulching event, go to <https://www.centennialco.gov/Calendar/Chipping-and-Mulch-Event-2023>. You prune, and they will chip and provide free mulch.

Overheard in Foxridge

Aspen: Mom! The Easter Egg Hunt was sooo fun! Can we go again, today?

Mom: Well...

Aspen: Please, please, please today!

Mom: Aspen, that wonderful event is planned by the FIA once a year. They offer many other events for us to enjoy in the neighborhood, too!

Aspen: Wow, they do so much!

Mom: Yes, we have a great community, and I am happy to support our FIA every year by being a member!

Please join today, if you haven't already, to help us meet the challenge of increasing membership to 500. Simply use the scanner code ⇨ or go to www.foxridgecommunity.com and click on Membership. Thanks!

Did You Know....

The Titanic sunk at 2:20 am on April 15, 1912. Traveling at 22.5 knots, the ship was only 0.5 knots away from reaching its maximum speed. It is therefore thought that the ship was traveling too fast for the conditions in which it met its fate.

April Landscape Update: Your GID Funds at Work

By Martha Riley

Landscape Maintenance: Spring cleanup is beginning.

Fence Discoloration Issue: The Trex materials are expected to be shipped to the Denver distributor soon and work should begin later this spring or early summer to repair the fence. Trex will reclaim all of the discarded materials to be recycled at their manufacturing plant. Please see the maps below to view the expected areas of remediation (subject to slight changes). The official schedule of repairs will be shared with affected residents when available.

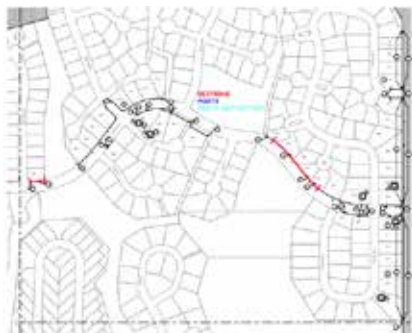

If you are a new renter or homeowner within the last year, please send your name, physical address and email address to foxridge.gid.reps@gmail.com so you can be kept apprised of progress in your area. Representatives from the fence company will also go door-to-door with pertinent information whenever fence construction is imminent.

Message from City Staff: The City is now soliciting candidates for the Project Manager position. Anyone interested in the position should submit a letter of interest and relevant qualifications to gid@centennialco.gov by April 15. Duties for the Project Manager are expected to include:

- Communicating and negotiating with contractors regarding the details of work performed or to be performed.
- Active oversight of the replacement of the discolored Trex fencing multiple times per week.
- Communication with Foxridge residents concerning the fence work landscaping improvements and other neighborhood projects.

Please don't hesitate to reach out to Patrick Fleming with the City if you have any questions or would like any additional information at pfleming@centennialco.gov or 303-754-3319.

Foxridge Community Garden Update

Dog Day Success! We sponsored a Dog Park Pop-Up on March 4 to introduce the garden to new folks and provide a venue for folks in the community to gather and connect. Coffee with all the fixings was provided along with a warm fire. Twenty-five people and 11 dogs enjoyed the free 3-hour party.

Bed Rental Now Open: 12'x4' and 6'x4' raised beds are available to rent with fees of \$100 and \$50 respectively. Please visit foxridgecg.com for more details.

Tree Trimming Donations Received: The amphitheater area of the garden space has two aging locust trees that need trimming for their health and the safety of those walking nearby or underneath. Two Foxridge Community Garden volunteers have donated significant funds that along with input from FCG funds will allow the work to be done soon! The trees, the wildlife that uses them and the people who enjoy their beauty all thank our generous donors!

Summer Solstice Celebration: Join us in the garden to celebrate the beginning of summer on Saturday, June 17 from 6-8 pm. Refreshments and wine tasting will be offered; no RSVP needed.

Pickleball, Anyone?

Are you interested in pickleball? Want to learn to play? ...or if you have experience, want to play in a neighborhood tournament?

We are pleased to announce a fundraising pickleball social to support the revitalization of the Foxridge courts. We invite you, your neighbors, and friends to join us for an exciting afternoon of pickleball games and activities.

The event will be held in May at the South Suburban tennis courts in Foxridge - specific date, time, and location to be announced. To help new players get started, we will be offering a 1-hour group lesson provided pro bono by Terry Maloney, certified pickleball instructor and USA Pickleball Ambassador for \$15 per Club member and \$25 per non-member. Following the lesson, experienced players can participate in a tournament-style event for \$25 per member and \$35 per non-member. All proceeds from the event will go towards the court revitalization project.

Please fill out the following form to indicate your interest, and we will be in touch with additional details:

<https://forms.gle/kFyX25LQUQ5gKzi78>

We encourage all interested parties to join in on the fun, as drinks and snacks will be provided throughout the event.

Contact Charlie Kleeman with any questions: 720-249-6484 or charliekleeman.ck@gmail.com

Thank you for your support of this important project. We look forward to seeing you on the court!

Cottonwood Tree

(Photo courtesy of Boulder Tree Care)

Soon our local cottonwoods will be starting to leaf out and produce catkins. These important trees to wildlife, water quality and our shaded walkways are also fascinating.

- A single tree can use between 50-200 gallons of water a day. They release that water as vapor through transpiration, which helps cool the air.
- Break open a dropped twig at a large node (bump) and see if you can find the star hidden inside. You may have to try a few. Some legends say that when the wind blows, causing a twig to break, a star is sent up to the sky.
- The "cotton" seeds are only produced by female trees. The male ones produce pollen, which fertilize the flowers (in dangling catkins) that produce the cotton.

Foxridge Girl Scouts Silver Project – Composting Day

Did you know throwing away yard waste is bad for the environment? Neither did we! You might be wondering who we are. We are the 8th Grade Girl Scout Troop 65594 with several members and leaders living in the Foxridge neighborhood since our troop started in 1st grade. In June of 2022, we posted an article educating the neighborhood about composting and tips to keep your grass healthy. Hopefully you were able to use some of those tips last summer.

In case you missed the article, our troop was working on earning the Girl Scout Silver Award, which is one of the highest awards a Girl Scout Cadette can achieve. We were tasked with finding an issue that we are passionate about and a sustainable solution for this issue to make a lasting impact in our community. Through our research we discovered that a large issue in many neighborhoods is inappropriate disposal of yard waste. We talked with a handful of composting companies and decided to partner with Lone Tree Composting to move our project forward. We came up with a composting day in our local community.

During the Foxridge Fair, we reserved a booth to inform people about our composting project and talked about how it was accessible through FIA memberships. Composting Day is a lot like the biannual Dumpster Day – just for plants instead of couches – and just as accessible with a membership.

Composting Day is an annual event that takes place in November. We had our first Composting Day last year and it was a smashing success. The purpose of this day is to help stop the flow of biodegradable waste from going into landfills. Examples of biodegradable waste include a wide variety of plants like trees, leaves, vegetable/flower parts, straw, grass clipping, weeds, twigs and small branches. When plants decompose in landfills instead of getting composted, it adds CO2 into the air and adds many chemicals to rivers and springs, making it unhealthy to live around.

Now that it is 2023, we are in our very final stretch of the award and that is community outreach. We were challenged to make a sustainable event. In February, the FIA (Foxridge Improvement Association) approved a Composting Day and added it to the budget. If you are interested in paying a small \$60 fee for a membership, the FIA will welcome you with open arms, and if you are a long-time member that needs to renew your membership, welcome back!

If you are wondering how you can prepare yourself for our November Composting Day, here are some ways you can do that:

- Start collecting your yard waste in 30-gallon paper compostable yard waste bags.
 - Include leaves, vegetable and flower plant parts, straw, grass clippings, weeds, twigs and small branches that can fit in the bags.
 - Woody twigs and branches that are greater than 1/4 inch in diameter should first be put through a shredder-chipper.
 - Please DO NOT include dirt, rocks, stone, glass, treated wood, plywood, Styrofoam or anything that contains plastic.
- In order to participate in our annual composting day, you will need to use a composting bag. This will help ensure we are able maximize our space to stay within budget for the composting cost.

Revitalization Updates for our Neighborhood Club

Save the Date! Member Pre-Season Meeting April 24th 7-8:30 pm at Koelbel Library

Our first membership drive brought 11 new memberships to The Club at Foxridge! Don't miss your chance to take advantage of our second special - no monthly dues until June 15th if you join before April 15th. See the membership flier below for more detail! Every new member brings us a step closer to completing projects for our revitalization plan.

Much progress has been made!

Completed...

- Shrub pruning and cleanup in parking lot and along Mineral Avenue
- Pool resurfacing color selected; work to begin in April
- New Club Manager has been hired
- 2023 social event calendar set (see www.foxridgeclub.com/ClubEvents)
- Beginning in April, monthly pickleball and tennis socials planned using South Suburban courts - stay tuned for details

Ongoing...

- Membership and donation drives
- Hiring of life guards

In the works...

- Plans to build pergola, paint pool house, purchase new umbrellas and planters and redo landscape in entry garden by Opening Day, if funding permits
- Revamp Club sign along Mineral
- Planning is underway to offer early morning lap swim for adults, if feasible and interest supports it
- Exploration to offer extended swim season past Labor Day
- Improved recycling program
- Founders Day Celebration Event – August 1st

FUNDRAISING

Sponsorships: Thank you to our newest sponsor, Metrum Community Credit Union! If you are interested in a sponsorship opportunity for local businesses to increase your visibility with our members - see flier below.

Metrum Community Credit Union

Donations: Consider making a donation toward our Club Revitalization Plans, or show your support by shopping our Amenity Catalog. Purchasing a new pot, umbrella or paint for our four square game area is just as good as donating funds towards our plans, and a great way to see your donation in action immediately with a tangible improvement at the Club.

Tennis and Pickleball: Monthly tennis and pickleball socials will bring funds directly to the court bank account. See articles on page 8 for more information.

OTHER NEWS

Club Founders and early members were treated to refreshments, a wine tasting, and a presentation displaying the Revitalization Plan. Many thanks to Rick and Jan Bennison for hosting, Jillian Bethune for offering the complimentary wine tasting and Martha Riley for the presentation! Besides the Bennisons who are founders, attendees included founder Barry Fiore and his wife Laurel, and early members Dale and Kristi Zimmerman, Dan and Sally Graham, Lou Smalle, Bev and Bill Sluka. When asked what prompted them to take the extraordinary step of developing a neighborhood recreational facility, the consensus was that neighborhoods around seemed to have a pool and courts and Foxridge did not. They wanted it for their kids. Plans are in the works to hold a Founders Day celebration at the club on August 1st. We're looking forward to hosting these important people and others who would like to celebrate our club.

Founders and Early Members ⇨

The Club at Foxridge is a valuable amenity in our neighborhood whether you personally participate or not – one that provides wonderful recreational opportunities for people of all ages and makes Foxridge one of the premier communities in the area. We welcome donations, sponsorships, and new members. We appreciate your support!
