# Foxridge Community Garden News

By Theresa Shaver

Yay!! It's June and summer is almost (officially) here. ☺

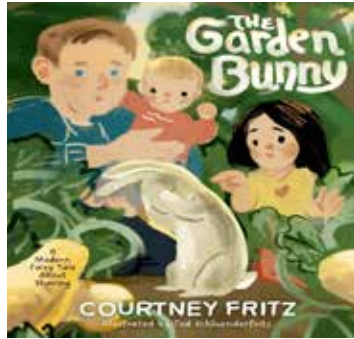

Here is what's happening at your Foxridge Community Garden (FCG):

The **First Annual FCG Plant Sale** was a huge success! We sold out of many varieties of plants, met new gardeners and re-connected with some familiar faces. It was such a fun day!

## Kids Club Event

Next up is a very special **Kids Club event on June 15th at 12 noon.**

Foxridge resident and writer, Courtney Fritz, will be reading her recently published children's book, *The Garden Bunny: A Modern Fairy Tale About Sharing*. Courtney will explain how the book came about and answer questions. After the reading, the kids can make a craft that centers on the book.

## Summer Solstice Open House

Later in June, the FCG steering committee will host its annual **Summer Solstice Open House on June 22nd from 6-8 pm.** Please join us at the garden for fun, light hors d'oeuvres, drinks, and wine tasting. Families are welcome! Mingle with fellow gardeners and neighbors on the longest (almost) day of the year.

Last, please consider supporting the FCG by participating in the King Soopers Community Rewards program. Every time you buy groceries, King Soopers donates a portion of the funds to the Foxridge Community Garden. Go to the King Soopers website, click on "Shop," scroll down to "Discover," then click on "In Our Community." Scroll down to "Giving Back," click on "Link Your Shopper's Card," then follow the directions. Search for "Foxridge Community Garden (organization #IM173)." Thank you very much!! Every little bit helps support our garden and the community.

If you are interested in learning more about the Foxridge Community Garden, please visit [foxridgecg.com](http://foxridgecg.com) or send an email to [foxridge.gardens@gmail.com](mailto:foxridge.gardens@gmail.com). We look forward to seeing you in the garden!

# GID/Landscape June Update

Submitted by Tudi Arneill and Martha Riley

## Landscape Maintenance

Spring cleanup was in full force in May and the irrigation system was started up.

## Fence Damage

The GID fence damage near Monaco and Mineral was repaired.

## Monument Signs

Many thanks to Jennifer Price and her team of volunteers for painting the monument signs - a much needed freshening! Details and photos coming in next month's Foxtales.

## Tree and Shrub Pruning Needed near GID Community Fence

New vegetation growth near the community GID fence can eventually cause damage to the fence. The GID and South Suburban will trim back vegetation from outside the fence. Residents living on properties adjacent to the GID fence must trim vegetation from their yards up and away from the fence to prevent damage. Thank you for your attention to this matter!

## City Staff News

Patrick Fleming, our GID contact at the city, has left his position. Jonah Schneider, another city staff member, will fill his spot until a new hire is in place. A transition meeting was held in May.

## FGID Website and Contact Info at the City of Centennial

The FGID website can be found at <http://www.centennialco.gov/foxridge>. Feel free to reach out to Jonah Schneider with the City if you have any questions - [jschneider@centennialco.gov](mailto:jschneider@centennialco.gov) or 303-754-3358.

## Find Finnegan

Finnegan, our lively Foxridge mascot, earned his name through a spirited vote at the Foxridge Fair in 2022. This playful fox can't resist joining in on all the excitement at Foxridge events. Spot him sniffing around the Foxridge Community Garden, sunbathing at the Club at Foxridge Pool in the summer, or casually climbing the trees at Foxridge Park.

Introducing a fun new series: Find Finnegan! Each month in 2024, Finnegan will make a surprise appearance on one of the pages in our Foxtales publication. Can you find him in this issue? Once you spot Finnegan, snap a pic, and share the joy with us on the FIA Facebook page: <https://www.facebook.com/foxridgecommunity/>. **Let the Finnegan hunt begin!**

**Hummingbirds**

**Want to attract hummingbirds to your yard?**  
**Try these tips:**

- Plant tube-shaped showy flowers, especially Colorado natives like scarlet gilia, fireweeds, mints, columbines, larkspurs, and penstemons. Honeysuckle, salvia and bee balm attract the birds as well.
- If putting out feeders, use 1 part white sugar to 4 parts water. (Dissolve sugar in boiling water and let cool). Avoid dyes and commercial foods. Clean feeders every 3-4 days to prevent mold.
- Keep cats indoors!
- It may take a while for the birds to discover your yard; keep it up and they will come and remember it in future years.

## WHO AM I?

### SHORT POEM SQUIRRELS SO MANY

#### WHAT IS THE NAME OF THIS SQUIRREL?

*Squirrels come in colors so many they blur  
While piebalds have white patched fur  
Between the extremes  
Are colorful themes  
As nature its colors does stir*

*The American red's not red, don't cringe  
It just has a slight reddish tinge  
Must travel, tis said  
To see a squirrel red  
And on a ticket to Scotland must binge*

*The flying squirrel appears gray-brown  
Its color does not bring renown  
But with special light  
It brightens the night  
Looks bubblegum pink from the ground*

*There's a yellow ground squirrel in China-land  
While the eastern gray could be black, that's grand  
But's a very small number  
So don't lose your slumber  
Cause most grays are gray-brown and bland*

*The raccoon squirrel has grey in its fur  
And a raccoon mask you'll surely observe  
Ears all in white  
Nose the same sight  
But a purple squirrel throws you a curve*

*This squirrel's a human seeking a job  
Who clearly stands out amidst the mob  
Has skills and degrees  
And desired qualities  
And will make other candidates sob*

*The most colorful squirrel of all, you know  
In India's forests high up, it does grow  
In orange and red  
And purple, tis said  
It knows how to put on a show!*

### DO YOU KNOW MY NAME?

***I am the Rainbow Squirrel!***

### INTERESTING INFO:

#### ***The Rainbow Squirrel***

1. The Rainbow Squirrel really does exist in India. It is also known as the Malabar Giant Squirrel. This "radiant rodent" weighs between 2 and 3 pounds, about the same as a small chihuahua. It can grow to 36 inches long from head to tip of tail. It builds nests on thin branches in tall trees to avoid predators. It can leap up to 18 feet between tree branches. It caches nuts and seeds in trees, not on or in the ground. It rarely leaves the trees. It lives in tropical deciduous and moist evergreen forests and woodlands. It can have a three-toned color scheme and the colors vary depending on the subspecies. Predators include birds of prey and leopards. It eats fruit, flowers, nuts, tree bark, some insects and bird eggs.
2. In the human recruiting world, the "purple squirrel" is the candidate who is the perfect fit for the job, one who has all the "must" and "good to have" qualities, skills, education, and qualifications.
3. The Raccoon Squirrel is a type of Eastern Fox Squirrel that has a black face mask.
4. The White Albino (with red or pink eyes) is the rarest squirrel coloring.
5. As we all know, grayish-brownish squirrels are the most common.
6. Black squirrels come about 1 in 10,000 squirrels.

## Special Olympics Tennis is coming to Foxridge!

The Club at Foxridge is excited to announce that our new tennis courts will be available for Special Olympics tennis practices this summer. This is a wonderful opportunity for individuals with disabilities to either play tennis or learn the sport through Special Olympics Colorado. The program is open to individuals, free of charge, for anyone in the area; residency in Foxridge or club membership is not required.

If you know someone who might be interested in participating either as an athlete or helper, please reach out to us at [tennis@foxridgeclub.com](mailto:tennis@foxridgeclub.com). We look forward to seeing you on the courts!

### Special Olympics Colorado, Cherry Creek Division

Cherry Creek Special Olympics provides year-round sports for athletes in and around the Cherry Creek School District and will provide tennis at the new courts. Neil Charles leads Special Olympics sports for CCSD and welcomes athletes and partners of all ages. Sports include swimming, tennis, basketball, volleyball, golf, bocce, cycling, bowling, track and field, cross country skiing, snowshoeing and alpine skiing. Participation is free. These and other sports are also offered through other local programs, such as Littleton and Douglas County.

### Want to learn more about Special Olympics? Read on!

*(Information taken from [SpecialOlympics.org](http://SpecialOlympics.org))*

The mission of Special Olympics is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

### Five Decades of Empowerment

The Special Olympics mission remains as vital today as it did when the movement was founded in 1968. Special Olympics strives to create a better world by fostering the acceptance and inclusion of all people.

Through the power of sports, people with intellectual disabilities discover new strengths and abilities, skills and success. Our athletes find joy, confidence and fulfillment—on the playing field and in life. They also inspire people in their communities and elsewhere to open their hearts to a wider world of human talents and potential.

There are as many as 200 million people with intellectual disabilities around the world. Our goal is to reach out to every one of them—and their families as well. Special Olympics does this through a wide range of trainings, competitions, health screenings and fund-raising events. We also create opportunities for families, community members, local leaders, businesses, law enforcement, celebrities, dignitaries and others to band together to change attitudes and support athletes
